Web Content Policy for Governors Village

Governors Village Website

Purpose

To provide residents easy access to news and announcements about Governors Village organizations and convenient access to community governing documents, forms and other documents related to owning a home in the Governors Village community.

Policy

Materials posted are limited to non-commercial information by or about organizations and activities sponsored by the community's Property Owners Association (POA).

The Webmaster follows this policy in assessing posting requests. If a posting is not accepted, appeals may be made, first to the Communications Committee and then to the POA Board of Directors.
