Old Business:

Committee Reports:

Website (governorsvillage.org) -- Susie and James continue to share the website posting duties, including monitoring the listserv for anything worth posting.

Welcome Program (governorsvillage.org/about/welcome/) – Terry reported on the welcome program: For the first three quarters of 2014, our community had 32 properties change ownership:

- 9 in the Village
- 9 in the Park
- 1 in the Forest
- 3 in the Lake
- 10 in the Townes

We also welcomed 2 renters in the Village.

One of the properties to change ownership was the house in the Village that had suffered a serious fire. A builder, Leland Builders, acquired the property and is in the process of rebuilding. The house is currently under contract and is expected to be occupied in early December, 2014.

The Welcome Package is currently comprised of 5 items:

1. Governors Village Welcome Letter
2. Talis Welcome Letter
3. Talis Homeowner Information Form
4. TGIS Schedule
5. Summary Rules & Regulations

Photography and Event Coverage – The next event is the First Annual Oktoberween Festival on October 25th beginning at 4:00 PM. A range of festivities, entertainment, food, drink and after-party camping is planned.

POA Board of Directors update – Nothing new to report.

Action Items:

- Posting of Neighborhood Information. – We continue to look for opportunities to post community information on the website. Due to other commitments, not much progress has been made since our last meeting.

community information on the website. Due to other commitments, not much progress has been made since our last meeting.

- We discussed adding some profile information of Board members to give homeowners an awareness of the people that volunteer their time and energy to our community. Since we are coming to the close of the year and new board members will be elected, we postponed this until 2015.
- We continue to look at the possibility of having some historical information on the website; when and how the neighborhoods developed. Due to demands on available time, we have been unable to make very much progress.
- POA Minutes on a timelier basis.
We are attempting to get the GVPOA meeting minutes sooner so they may be posted while still relevant.

New Business:

We will continue to pursue the actions stated above.

Our next meeting is on January 19, 2015.

Respectfully submitted,

Ted Smith
Chair
