RE: Do you have a great idea for a raffle item for the pool party?

Hello Neighbors,

The social committee is working hard to bring you an awesome pool party this year, including a fundraiser to benefit the *Food Bank of Central and Eastern Carolina*. We have set a goal to double the amount we raise this year for the food bank and hope to accomplish this by expanding our raffle. We are looking for items and ideas to make this event a success. Do you own a business, provide a service, have a talent you'd like to share? Here are some ideas of what you might be able to contribute to this event:

- Pet sitting/dog walking
- Teach/lead a class (i.e., yoga, piyo, zumba, woodworking)
- Donate a work of art (i.e., painting, hand-crafted items such as jewelery or pottery)
- Babysitting
- Donate an item that you manufacture or sell through your business or workplace
- Donate an hour or two of your time and expertise (i.e., legal advice, financial advice, massage therapy)

We know there are many talented individuals in our neighborhoods and would love to have your input. If you would like to donate something please send email to di@netalley.net with what you would like to donate. We will need the item or a gift certificate indicating what service you are providing and how much of it (i.e., 2 hours of free babysitting) by August 15.

Thanks for your support in making this a great event!
