1.3 Photography and event coverage - Ted

Events: Ted photographed the Pool Party on August 22, the Music Festival on September 20, and is gearing up for BooFest on October 24.

Annual Meeting: Ted will prepare a 2015 photo slideshow to play before the meeting.

1.4 POA Board Liaison update - Ted and Daniel

Nomination committee is completing slate of candidates so we can expect to have info to post to website soon.

2. Action Items/Updates:

2.1 Governors Village community survey discussion

- 2020 Survey Report was completed and distributed as scheduled prior to the September, 2015 POA Board of Directors meeting.
- As followup with the homeowners, the full 2020 Survey Report was published on Governors Village website. Article was seen by many viewers.
- Current and future boards will have the survey report as a baseline or reference. Some changes already have been made because of the survey: improvements to park entrance and planning to add exercise equipment around the Lake.
- Lessons learned from conducting the survey.

Use fewer open-ended questions to make it easier to compile results.

While survey is open provide more reminders to residents to participate

Only one paper survey was returned, so conducting the survey online seems to not be an issue.

Having Talis send out an official announcement about the survey worked well.

New Business

None.

Open Discussion

James inquired about news on Safety Committee. Board member and Safety Liaison Bill Hlavac did schedule a meeting, but none of the volunteers attended.

There is interest in creating a searchable copy of Governors Village covenants.

Suggestions for future web articles include:

- A Grounds update highlighting the 2015 neighborhoods projects
- A quarterly update of all committees.
- Reaching out to Townes board to help cover topics of interest to Townes residents (explaining how dues are distributed, how Townes sub-association is organized, etc).

Action Items

None.
