

POOL RULES 2016

Community Pool for: Governors Forest | Governors Lake | Governors Park | Governors Townes | Governors Village

Pool Season 2016 Begins May 7 and Concludes Sept 18

SWIM LESSON INFORMATION

Information regarding swim lessons will be posted at/near the bulletin board above the water fountains around the time of season opening. Please feel free to follow the suggestions there, or you may use your own swim lesson provider, given the rules regarding guests are followed (if the provider is not a resident).

Got a pool question?

Call Talis Management at 919-878-8787
8305 Falls of Neuse, Suite 200
Raleigh, NC 27624
Alina Cochran (Community Manager) Ext. 235

Talk to a Pool Committee member.

Here's who to look for:

Trent Leonard, Recreation Committee Chair
John Eberhard, POA Liaison
Garrett Blake
John Cangelosi
Bob Wynne
Chris Gamber
Karen Korach
Tim Mounce
Barry Bassett

We want your feedback!

If you have any suggestions regarding additional pool equipment, improvements, repairs, etc, please email them to Trent Leonard at the address above. Thank you for your cooperation!

- The Recreation Committee

The Basics

Hours. The pool is open from 6:00 am to 8:30 pm or sundown, whichever comes first.

Restrooms. The code for the restrooms and kitchen is 1234. The restrooms should only be locked at closing.

Governors Residents Only. Only residents of Governors Forest, Lake, Park, Townes and Village may use the pool. Camden apartment residents have their own pool.

Watch your kids. Children under 14 must be supervised by a parent, adult or guardian.

Access. To access the pool area, you must have your assigned swipe card. Homeowners who rent out their homes are responsible for coordinating card use with their tenant(s). Please report lost or stolen cards to Talis immediately. We will then deactivate your card until it is located; or the card will be replaced. There is a \$35.00 replacement fee.

Swim At Your Own Risk. Property owners and tenants are responsible for the safety and conduct of their families and guests. The Pool Attendant is NOT A LIFEGUARD.

Attendant Hours. Weekends from 8AM till closing when Chatham schools are in session. Daily from 8AM till closing during summer weekends, and 8AM till noon and 4PM to closing on weekdays.

Telephone Usage. A telephone is available inside the gated area for emergency use only.

Swimming Laps. One lap-lane marker will remain in place daily for any lap swimmer at any time during the day. A second lap-lane marker is available and may be placed by the pool attendant upon request. If no one is swimming laps, anyone may use the lane. If someone wants to swim laps, non-lap swimmers must move out of the lap lane.

Reserve a Party. Party reservations give you exclusive use of the tables under the awning, plus priority access to the kitchen and grill. Note: The pool remains open to all the

community even when the kitchen/grill or parties are reserved. Reservations for a pool party of 10 to 40 guests are required. To obtain the reservation form, please visit www.governorsvillage.org/documents. No reservations will be taken over the phone. Reservations are given on a first-come, first-served basis. Please make reservations at least five business days in advance for parties requiring an extra attendant (20 to 40 guests), and two days in advance for smaller parties (10-19).

Weekday pool parties can be reserved for flexible time periods. Please check the pool events calendar (<http://goo.gl/zzAxol>) to avoid any conflicts. Weekend time slots are: 10 AM to 1 PM, 1:30 PM to 4:30 PM, 5:00 PM to 8:00 PM (or closing). The time in between slots should be used for clean up and set up.

A \$100 refundable deposit is required, as is a separate non-refundable fee of \$15 (both payable to Governors POA).

For parties with 20 to 40 guests, an additional check is required to cover the costs of an additional Pool Attendant at \$55 for the first three hours, \$15/hour thereafter. Send all checks to Talis, along with your completed reservation form.

Reservations are not finalized and placed on the pool calendar until payment is received. Personal parties of 40+ guests are not permitted.

Wi-Fi Access. Wireless internet access is available at the pool. The wi-fi signal is called "GVPOA." It is provided as a convenience, and we cannot guarantee its security or reliability. The community is not responsible for any damage to your computer. If you encounter issues, please email Talis and we'll do our best to correct the issue. We also ask that you keep your power cords out of harm's way.

The Rules

1. Use your swipe card. The pool is for the exclusive use of the property owners, their guests and tenants. Property owners must accompany their guests at the pool, and are responsible for their conduct. To access the pool, please use the swipe card issued by Talis Management. Piggy-backing, or asking another neighbor to let you in, is not allowed. Please exercise discretion when utilizing pool facilities. You are responsible for your guests.

2. No glass. No glass or ceramic is allowed within the gated pool area.

If broken glass is found within the gated pool area, state law requires us to close the pool immediately. The pool will have to be completely drained, cleaned and refilled—a process that can take up to 14 days. If the property owner or guest responsible for the broken glass is identified, that property owner will be responsible for the cost of this process.

3. Heal at home. People with open wounds, sores or skin infections are required to stay out of the pool, according to county regulations (CCHD). This includes people that have bandaged wounds.

4. Shower first. The CCHD suggests everyone shower before entering the pool.

5. Dress appropriately. Swimmers must wear a swimsuit in the pool. "Cutoff" shorts are not permitted because the loose strings can cause damage to the pump and filter system. Topless sunbathing and thong bathing suits are not permitted.

6. Dress your babies appropriately. Swim diapers are absolutely mandatory for all

diaper aged children. There are no exceptions. The county requires that all swimmers must leave the pool until the area has been properly disinfected when fecal matter gets in the pool. Disinfecting the pool could mean the closing of the pool for an entire day.

7. Use the changing stations. Baby changing stations are located in both bathrooms. Diapers may not be changed on other pool-area surfaces or tables.

8. Be courteous. In consideration of others and the safety of all, no running, horseplay, use of profanity, or improper conduct that is potentially dangerous or offensive is permitted in the gated pool area. Also, please keep your radios to a low volume. Or better yet, use headphones.

9. No diving, please. The same goes for acrobatics or flipping into the pool.

10. Keep our pool area clean. Please put trash and recyclables in the appropriate receptacles.

11. Enjoy toys and floats safely. No squirt devices are permitted! You will find some toys in the bin that are available for everyone's use, please put them back in the bin when you are done playing. You are also welcome to bring your own toys, including kickboards, noodles, and floats. However, you may be asked to remove your large float if the pool is deemed too crowded or if you are using your float unsafely.

12. Stay off the ropes. Please do not stand or hang on the ropes by the shallow area or the lap lane.

13. Keep furniture back 8 feet. State law requires that furniture and other items

are to be kept away from the water's edge for safety.

14. Play ping-pong. There is a chest containing paddles and balls, and a sign with some basic rules. Please be considerate of others who may also want to play.

15. Parental guidance required. Kids under 14 years old are permitted in the pool area only when accompanied by an adult. Parents/Adults/Guardians are responsible for the supervision and conduct of their children.

16. Thank you for not smoking. Smoking is prohibited within the gated area of the pool.

17. No pets, please. No pets are allowed inside the gated pool area.

18. Park in the lot. Please use the parking spots near the pool area. Use the area in front of the pool house

for brief loading and unloading only.

19. Park your bike on the rack. The bike rack is located outside the gate. Also, please keep your skateboards, rollerblades, or scooters outside the gated area. Wagons and strollers are permitted.

20. Be safe in bad weather. In the case of inclement weather, everyone must clear the pool water immediately. Inclement weather is defined by the first sighting of lightning, the sound of thunder, or the sounding of the Governors Club storm siren. Please allow 30 minutes after the last rumble of thunder before re-entering the water. Note: The pool may be closed at any time at the discretion of Talis or our association due to weather conditions, a mechanical breakdown, or any other operational difficulty. Every effort will be made to notify property owners when the

pool needs to be closed. A sign indicating the status of the pool will be displayed at the entrance gate.

21. Drink responsibly. Alcoholic beverages are permitted at the pool. We ask that you comply with all local laws regarding alcohol consumption, and use common sense when drinking and keeping alcohol in the pool area. This includes not bringing any GLASS into the pool area, not allowing anyone under 21 to drink, and making sure that any alcohol you take to the pool area (including the fridge) is removed once you leave.

22. Weapons. All weapons, including concealed firearms are prohibited on these premises.

23. Cooperate, don't violate. The rules above have been written with everyone's mutual enjoyment in mind, and property owners, tenants and their guests are required to abide by them. The pool attendants are tasked with making sure the pool rules are enforced. If you are in breach of any rules, the pool attendant is required to write an incident report and will request that the property owner initial it. A copy of the incident report will be issued to the property owner, Talis Management, and the Recreation Committee. Property owners will then receive a violation letter from Talis that includes the time and date of the infraction. The Recreation Committee and Board reserve the right to revoke pool privileges to any property owner or resident who does not comply with these rules. Any loss of property or damage that has been accurately linked to property owners, their children, or guests will be pursued for reimbursement or legal action. The Board may also revoke that household's swim privileges for the remainder of the season.
