5K Fun Run

Advance registration can be made when you RSVP online for the breakfast or at 7:30am at the pool the morning of the race. Race starts at 8:15am. Your generous donation to the North Chatham Fire Department covers both your race registration and Pancake Breakfast. Runners and volunteers for the Breakfast & Race will receive T-Shirts.

Pancake Breakfast

All residents are welcome for breakfast, even if you don't participate in the run. Please bring a donation for the Fire Department equal to your appetite!

Kids' Triathlon

Get ready to run, bike & swim! Kid-sized course will be mapped around the Park. For the younger kids, it's a .25-mile run (one loop around the tennis courts), a .8 mile bike ride (one loop around the park) and a one-lap swim. For older kids, the distances are doubled. Bike helmets required. Prizes will be awarded in several age groups.

Support your North Chatham Volunteer Fire Dept!

The firemen will have a fire truck in the parking lot and will demonstrate their equipment. We hope that you'll come out this year with a generous donation to help purchase needed equipment that the budget does not cover.
